

**Articulation Agreement  
The Culinary Institute of America  
And**

**Franklin County Career and Tech Center, Chambersburg, PA**

The purpose of this agreement is to enable students who have successfully completed two years of the culinary arts program at **Franklin County Career and Tech Center** to enter the degree program at The Culinary Institute of America with advanced standing.

Students who have successfully completed the culinary arts program at **Franklin County Career and Tech Center** will be eligible for up to 1.5 credits towards the total number of credits required for graduation from The Culinary Institute of America. Students from this program will also be eligible to take the CIA math challenge test to gain an additional 1.5 credits.

The Culinary Institute of America will consider credit for the following course:

Food Safety (ServSafe)	1.5 Credits
Mathematics (if student passes challenge test)	1.5 Credits

**Terms of Articulation Agreement**

1. Students must successfully complete the culinary arts program at **Franklin County Career and Tech Center**
2. Students must submit a copy of "ServSafe" certification in order to receive credit for the Food Safety course.
3. Students must pass the math challenge test with a 72 or better score in order to receive credit for the Mathematics course.
4. Students must submit a copy of their high school transcript.
5. Students must meet all other Culinary Institute of America admissions criteria and standards.
6. The student agrees that if he/she is unable to maintain satisfactory academic progress in which the articulated credit is foundational, the student may be required to take the above mentioned courses.

It is agreed by both The Culinary Institute of America and **Franklin County Career and Tech Center** that any changes, curricular or programmatic, which may impact the terms of this agreement, will be shared immediately by each school.

A handwritten signature in black ink that reads "Rachel Birchwood".
